PERFORMANCE YOU NEED  
QUALITY YOU TRUST

## VTM-15

15" INCH BLACK / WHITE MONITOR

### FEATURES

- MORE THAN 1,000 LINES RESOLUTION
- FRONT PANEL CONTROLS
- BUILT-IN CARRYING HANDLES
- RUGGED CONSTRUCTION
- LOOPING INPUT
- EASY TO OPERATE CONTROLS
- 2 YEAR WARRANTY

*THE VTM-15 features high resolution and high contrast pictures on a 15-inch screen. The monitors use solid-state circuitry for a long service lifetime.*

*Fast acting automatic frequency control (AFC) provides for stable playback from a video cassette recorder. A regulated power supply maintains excellent performance during fluctuations in line voltage. The unit has video input/output looping with 75 ohm termination.*

*The monitors are housed in an enameled steel cabinet with recessed plastic carrying handles. Controls for Brightness, Contrast, Vertical Hold, Horizontal Hold and power On/Off are located at the front of the unit.*
