FROM PIXIM

VITEK 22" & 26" Public View 16:9 Widescreen LCD Displays were created to deter crime in retail environments. They do that quite well but...oh, so much more... A Built-in High Resolution PIXIM WDR Camera with 540 TV Lines delivers stellar image quality, even in varying lighting conditions. Two Looping BNC Composite Inputs and a BNC Output for the Internal Camera provide numerous integration options. The built-in SD Card Slot and USB Port along with the internal speakers can be used to display advertising or multimedia presentations.

FEATURES

- 22" & 26" Public View 16:9 Widescreen LCD Displays
- Built-in High Resolution Varifocal Pixim WDR Camera with 540 TV Lines
- Two Looping Composite Inputs
- 1 Camera Output for Internal Camera Video
